CHM REF.

SMITHSONIAN
LIBRARIES

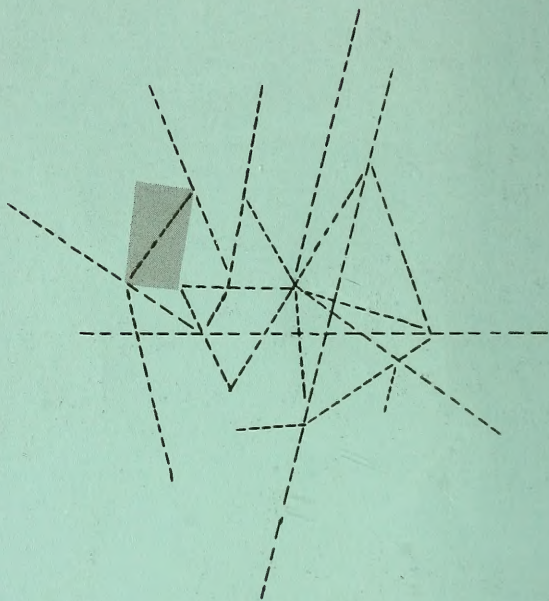

The background is a dark, textured surface. It features a collage of various geometric shapes, including rectangles, squares, and triangles, in shades of light gray and white. Some of these shapes are layered, creating a sense of depth. In the upper right quadrant, there is a complex network of white dashed lines that form a star-like or web-like pattern. In the lower right quadrant, there is a large, stylized silhouette of a hand, rendered in a light gray color, with fingers spread. The overall composition is abstract and modern.
